**Presentation – Demystifying Flash Photography**

Chris Smith and wife Cami own and operate Chris & Cami Photography in Charleston, SC.

Chris is a graduate of the New York Institute of Photography (NYIP). He has worked as Sales Manager for Click Camera (Dayton, OH), Photographer and Field Service Consultant for Coppinger & Affiliates (Cleveland, TN), Photographer & Studio Manager for Olan Mills Portrait Studios (Charleston, SC), and Store Manager for Ritz Camera (Charleston, SC). His superior understanding of photographic technology, lighting, and posing allow him to work quickly and efficiently while maintaining a fun, friendly and flexible shooting environment.

**Sandy Dimke and Robert Rommel**

**April 9, 2019**

**No Presentation --- Critique of Member's Photographs**

Sandy Dimke and Robert Rommel will be providing critiques of member photographs during the April 2019 meeting. There will be no presentation that evening.

Sandy Dimke was instrumental in establishing the Photography Club of Beaufort in 2005 and serving as its President for the first three years. She has been on various board positions since then. She is a contributing photographer for Shrimp Collards & Grits Lifestyle Magazine, and she is Director of the Interclub Print Competition for the Photographic Society of America. Her work is exhibited at The Brick Wall Gallery of Beaufort Art Association, Mrs B and Company in Port Royal and Coastal Physical Therapy on Lady's Island.

Robert Rommel is an award-winning fine art nature photographer based here in the South Carolina lowcountry. He has been a lover of wildlife and nature since his childhood days and enjoys sharing this passion with photographers of all levels. Robert has been proud to teach photography to students ranging from novice to the professional level for nearly 10 years. His artwork shows in juried art festivals throughout the southeast and can be found in collections on four continents. He partners with Alex Rowan in leading nature photography classes in NaturePhoto School.

**Les Saucier**  
**May 14, 2019**  
**Presentation – Macro Photography Made Easy**

Les is a professional photographer and teacher of photography who lives in Brevard, NC. For more than thirty years, he has taught workshops across the country. As an educator, he has taught nature photography at the University of Georgia and at Western Carolina University. He has been a presenter at the North American Nature Photography Association, Carolina Nature Photographer's Association and at the Smoky Mountain Foto Fest.

Les was schooled in biology, earning a Masters in field biology before going to work for the USDA's Department of Agricultural Research. It was there, while documenting research of insect pests, that Rich discovered a real love for macro photography.
